

a citywide earthquake drill

SF

drill

Get Ready to Shake Up San Francisco!

What is Shake Up SF?

A coordinated series of small independent drills designed to engage:

- businesses
- schools
- non-profits
- faith-based organizations
- individuals

Oct 21, 2008
Tuesday Noon

SHAKE

Did You Know?

October 21, 2008 marks the 140th anniversary of the 1868 Hayward earthquake, the first great "San Francisco earthquake" and one of the most damaging earthquakes in the nation's history.

The average interval between the past five large earthquakes on the Hayward Fault is 140 years. Another big earthquake is an inevitable part of our future, and the Shake Up SF drill is our chance to practice what to do when it happens.

How Can You Participate In Shake Up SF?

- practice drop, cover and hold
- activate the initial steps of your organization's emergency plan
- check on disaster supplies and replace expired items
- see back for more ideas

a citywide earthquake drill

ShakeOutSF

Oct 21, 2008
Tuesday Noon

How Can I Participate?

BUSINESSES, SCHOOLS, NON-PROFITS AND FAITH-BASED ORGANIZATIONS

- Organize a Drop, Cover & Hold drill in your office or classroom.
- Activate the initial steps in your organization's emergency plan, such as reviewing critical systems.
- Don't have an emergency plan? Initiate a discussion about how your organization would respond following a large earthquake.
- Check on disaster supplies and replace expired items.
- Register with AlertSF (www.alertsf.org) to receive post-disaster information to your text-enabled devices.

INDIVIDUALS

- Practice Drop, Cover and Hold with your family. Can't drill at Noon? You can practice anytime that day, or think about what you would do wherever you are.
- Encourage your employer or school to hold a Drop, Cover and Hold drill or initiate their post-earthquake emergency plans.
- Check on your disaster supplies and replace expired items.
- Create a family emergency plan. Visit www.72hours.org to find out how.
- Register with AlertSF (www.alertsf.org) to receive post-disaster information to your text-enabled devices.
